

Driving Directions to 46 Medical Drive.

Coming on I-15 from the North

Take the 400 South exit and turn left on to 400 South.

Head East on 400 South for about 2.5 miles.

Just after 900 East, 400 South becomes 500 South

Stay on 500 South for about 1.5 miles

500 South bends south and becomes Foothill Dr. Just as it bends take a left on to Wasatch Dr.

Go through one light on Wasatch Dr. Stay in your right lane. This will take you off of Wasatch Drive The road curves and becomes Medical Drive. (See 2nd Map)

This is where the drive becomes a bit tricky.

Just after the Wasatch/Medical Drive Split, on your right is the University of Utah Guest house and in front of you toward your left is the Department of Health buildings. Look for the Department of Health sign out front. There are 3 buildings that are served by this parking lot. 1. The State Health Lab, 2. The medical examiner and 3. Children with special health care needs.

Come into the health lab and at the front desk let them know who you need to see. Ask for a temporary parking pass and place in your car.

Coming on I-15 from the South

Take the 600 South exit head east for about 2.5 miles.

At 700 East, turn left.

Take a right on 400 South.

400 South becomes 500 South.

Stay on 500 south for about 1.5 miles

500 south bends south and becomes Foothill Dr. Just as it bends take a left on to Wasatch Dr.
